EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Robert Jondle on 17 September 2003.

The application has been amended as follows:

At claim 9, line 2, the phrase "is capable of expressing" has been replaced with -- expresses --.

At claim 36, line 5, the phrase "corn endosperm with improved nutritional quality" has been replaced with -- waxy starch --.

Claim 50 (amended) A method of introducing a desired trait into corn inbred line RBO1 comprising:

- (a) crossing the RBO1 plants, grown from seed deposited under ATCC Accession No. PTA-_____, with plants of another corn line that comprises a desired trait to produce F1 progeny plants, wherein the desired trait is selected from male sterility, herbicide resistance, insect resistance, waxy starch, [corn endosperm with improved nutritional quality and] resistance to bacterial disease, fungal disease, and viral disease;
- (b) selecting F1 progeny plants that have the desired trait to produce selected F1 progeny plants;

Art Unit: 1638

(c) crossing the selected F1 progeny plants with the RBO1 plants to produce first backcross progeny plants;

- (d) selecting for first backcross progeny plants that have the desired trait and physiological and morphological characteristics of maize inbred line RBO1 <u>listed in the Variety Description Information</u> to produce selected [first] backcross progeny plants; and
- (e) repeating steps (c) and (d) three or more times in succession to produce selected fourth or higher backcross progeny plants that comprise the desired trait and all of the physiological and morphological characteristics of maize inbred RBO1 as determined at a 5% significance level when grown in the same environmental conditions.

At claim 52, line 1, "claim 1" has been replaced with -- claim 50 --.

At claims 53 and 55, line 1, "method of" has been replaced with -- method comprising --.

REQUIREMENT OF ALLOWANCE UNDER 37 CFR §§ 1.801-1.809

2. The Deposit Statement in the specification is deemed in accordance with 37 CFR §§ 1.801-1.809. Since the application is otherwise in condition for allowance except for the needed deposit of seed, and since the Office has received written assurance that an acceptable deposit will be made on or before payment of the issue fee, the Office is authorized to mail Applicant a Notice of Allowance and Issue Fee Due together with a requirement that the needed deposit be made within THREE (3) MONTHS of the mail date of this letter (see 37 CFR § 1.809(c)).

As set forth in 37 CFR § 1.809(c), Applicant is required to deposit 2500 seeds of the claimed plant within THREE (3) MONTHS of the mail date of this letter; thus the time for making the deposit is on or before the payment of the issue fee.

Applicant is reminded that once the deposit of seed has been made, information regarding the date of deposit, description of the deposited material including number of seeds deposited, name and address of the depository, and the accession number must be added to the specification in order to comply with 37 CFR § 1.809(d). In addition, the claims must be amended to replace the blank "______ " with the appropriate Accession Number. Amendments to the specification and the claims must be filed under 37 CFR § 1.312.

Application/Control Number: 09/836,347 Page 4

Art Unit: 1638

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to David H. Kruse, Ph.D. whose telephone number is (703) 306-4539. The examiner can normally be reached on Monday to Friday from 8:00 a.m. to 4:30 p.m.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Dr. Amy Nelson can be reached at (703) 306-3218. The fax telephone number for this Group is (703) 872-9306 Before Final or (703) 872-9307 After Final.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the Group Receptionist whose telephone number is (703) 308-0196.
